

# ARNOVA | 8b G2

ARNOVA introduces the new ARNOVA 8b G2. With its new design and its brilliant 8" screen, the ARNOVA 8b G2 is the unmatched compromise to enjoy full HD videos and browse the web or read an ebook. This product will also surprise you with its performance. Extra powerful 1 GHz processor, Android Gingerbread, and front webcam, the ARNOVA 8b G2 brings all the features you will need for a daily use.

In a few words:

- **Customize your tablet with the Android™ apps that matters to you**  
All your favorite Android™ applications are downloadable directly from AppsLib. Whether you are looking for games, daily news, sport results, social network or ebooks you will find what you need.
- **HD Multimedia experience on your Tablet**  
Enjoy your pictures or movies in quality up to full HD (1080p).  
Extra features: camera, SD slot, slideshows...
- **Full web experience**  
Browse the web easily & comfortably with the portrait mode.  
Watch videos from the web, with flash support, there's no more format issue.  
Send & receive your emails or chat with your friends directly from the tablet.

## **Customize your tablet with the Android™ apps that matters to you**

### **A wide range of Android™ applications**

Arnova has pre-installed for you a smart selection of Android apps ready to be used straight out of the box. If you need more, you can also access to the huge choice of applications from AppsLib. Check out the best in free and paid apps.

### **Your own customization**

Easily find the applications you want thanks to the clear and unique categories such as 3D games. Download what you need: Games, news, communication, office software, books everything is right here just under your fingertip. Set up different services to appear as live widgets on the several home screens. So you can stay tuned with the information that matters to you.

### **HD Multimedia experience on your Tablet**

#### **Enjoy your pictures or movies in quality up to full HD (1080p).**

The ARNOVA 8b G2 is able to play HD files up to 1080p definition without any conversion needed. In addition, whether you want to watch videos, share photos or listen music, the ARNOVA 8b G2 plays an impressive number of file formats.

### **Extra features**

You can also access to many additional functions such capturing your favorite moments with the built-in camera or uploading your pictures directly to the device through the micro SDHC slot. Finally, ARNOVA 8b G2 also offers original functions to enhance your multimedia:

Create your own slideshow with your favorites photos. Create your own playlists to turn your tablet into a music center.

## Full web experience

### **3G Ready**

The ARNOVA 8b G2 is fully compatible with the ARCHOS G9 3G Stick\*\*. This USB Stick brings the 3G connectivity to your ARNOVA 8b G2 tablet via the USB port (optional USB HOST cable needed).

All you have to do is to put a data SIM card into the stick, plug it to your tablet and start surfing at 3G speed. Stay connected wherever you are!

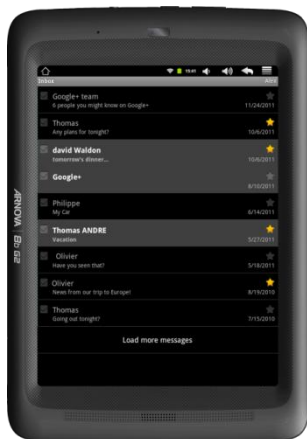

### **Browse the web easily & comfortably with the portrait mode**

Browse the web smoothly and quickly thanks to the powerful 1 GHz processor. No more laggy websites. Appreciate the real full web experience on the fast responsive 8" capacitive touch screen and navigate your favorite websites. Flash™ compatibility lets you watch and access to any flash™ content such as Youtube™ videos.

### **Keep connected with your friends through social networking & chat applications**

This new tablet lets you stay in touch with your family and friends anytime of the day thanks to social networking & chat applications. With its redesigned multitouch keyboard, it's a breeze to write text and emails on the Arnova 8b G2

### **Email application**

Once connected to the WiFi network, the ARNOVA 8b G2 lets you manage your emails accounts whenever you want. You can configure a variety of email accounts, giving each member of the family quick and easy access to their own messages.

Even if you are on the go you will be able to synchronize and receive your important business emails.
